Dear Mr. Teeter,

In reference to our conversation, our 2001 wheelchair van has been sold and I wish to suspend our authority to operate until we have added another wheelchair van to our company.

We will be adding another wheelchair van to our service in the near future. I will contact you when we have made this addition.

If you have any questions, contact me at 1-888-257-8648.

Sincerely,

Stephanie Ostrander,
